Dear Community Supporter:

What started out in 1998 as four senior volunteers working in classrooms in one elementary school building has grown to over 20 volunteers and local businesses participating in classroom and community activities. The program is a huge success and continues to grow.

Senior citizens work in elementary classrooms and serve as mentors to middle and high school students. In addition students work with local senior citizens in a variety of ways in the community such as participating with seniors residing in an independent senior housing community and working in a number of community projects such as the recently organized Community Garden program in Ravena. Most recently a very successful sesquicentennial commemoration of the end of the Civil War and the role our local community played during those times was offered to students and the community replete with reenactments and artifact displays and the participation of our local historical societies.

STARS Intergen, a 501 (C)(3) not-for-profit organization, partners with the RCS School District and local businesses, grants and individuals to provide opportunities for students and older adults to join together to offer intergenerational experiences for the participants

To enable us to continue and expand these opportunities we are seeking your assistance by asking for contributions to support our efforts. We would be most appreciative for your generosity. If you have any additional questions or concerns, please feel free to contact us at 756-7389, by email at Starsintergen@gmail.com, or visit our website www.starsintergen.org.
